

Airlines Service

RPX AIRLINES With our own aircraft our service is more reliable and dependable
 RPX Airlines offers air transportation services to all destinations within Indonesia and International destinations via Singapore. We fly our own aircrafts, this will ensure that your business and personal packages are timely delivered. Your cargo is guaranteed on board our plane once the booking is confirmed as our aircraft is dedicated solely for transportation of cargo. Your shipments/goods will certainly arrive faster and you will feel more at ease knowing the package will be on board as planned. Contact RPX for all your Air Cargo needs.
